The screenshot displays the OEKO-TEX verification interface. At the top, the product ID "19.HIN.66860" is entered in a search bar, with a "check" button next to it. The OEKO-TEX logo is visible in the top right corner, along with a "Menu" button. A large teal banner in the center contains the text "The certificate is valid". Below this, the OEKO-TEX logo is shown again, followed by the text "STANDARD 100 by OEKO-TEX® Certified according to annex 6". A red dashed box highlights the "Product class:" field, which contains the number "1". Another red dashed box highlights the "Type of certified article:" field, which contains a detailed description of the certified products: "Woven terry products like towel, bath sheet, bath mat, bathrobe made of 100 % cotton, cotton/modal, cotton/linen, cotton/polyester, cotton/recycled polyester, cotton/viscose (bamboo) in raw white, bleached white, reactive yarn dyed, reactive solid dyed, reactive printed (only on 100 % cotton, cotton/polyester, cotton/recycled polyester) and finished with softener and anti-microbial finishing (Healthguard® BK); recycled content < 20 %: from post-consumer PET bottles (Recron® Green Gold), including accessories (woven and printed label, sewing thread, zipper and polyester button); partly finished with biological active products accepted by OEKO-TEX®; produced by using materials certified according to STANDARD 100 by OEKO-TEX®".

The screenshot shows the OEKO-TEX Label Check website. At the top, there is a navigation bar with 'Downloads', the OEKO-TEX logo, and a 'Menu' button. Below the navigation bar, the page title 'OEKO-TEX® Label Check' is displayed. A sub-header asks 'Want to check an OEKO-TEX® label is official?' and provides instructions: 'Simply enter its number below. All our label numbers are case sensitive. If your Label Check does not bring up a result, please [contact us](#).' To the right of the instructions is a QR code and a small image of an OEKO-TEX label. Below the instructions is a text input field labeled 'Enter label number' and a green 'check' button. Underneath the input field, there is a link for 'Withdrawn certificates and labels'. A large green banner with a red dashed border contains the message: 'The product ID is traceable. Take a look.' Below the banner is the OEKO-TEX logo and the text 'Supply Chain'. At the bottom, there is a world map with several black location pins indicating supply chain points. The map is also enclosed in a red dashed border.

A large, light blue circular graphic is centered on a dark blue background. The circle is partially cut off on the right side by a vertical bar of the same color. The text 'Hohenstein.LAT/OEKO-TEX' is centered horizontally across the middle of the circle and the bar.
